Teen Titans Go! DC Super Hero Girls: Exchange Students!

written by Amy Wolfram and drawn by Agnes Garbowska!

We've got you Livewire! Blackfire!

Aw, isn't that cute? Starfire and her little friends have come all the way here just to see me.

ZZZTTTTT

They're not going to *see* anything.

CRASH SMASH POW

OOF

Wait the minute!

You let them get away!

You let her get away!

Everyone! Stop the fighting!
We can find a peaceful resolution!
She started it.
Yeah, and I'M going to finish it!
Can I have my body back?
That all you got?
Not even close!

We must respect one another.

THWTHHHH

Weird, that rhino seems familiar.

Who are you and what are you doing in Metropolis?

We are the **TEEN TITANS.** And we came from another part of the multiverse to stop Blackfire.

Well, we don't need any help fighting in this universe! Especially from the Teen Titans!

The next morning, after they decide to team up!

Number one— there will be no more fighting.

NO FIGHTING

They started it!

Number two— we must coordinate our schedules. Last night everyone showed up at the same time and the villains got away.

Dude!
Bro!

Teamsies!
=ugh=

Let's do this!
Definitely!

I'll team with Batgirl, she won't steal my pajamas!
And I don't have to share my scooter with you.

You must stay with your exchange student.

You've got to be kidding me!

But he's my dude!

And she's mean!

We must work together to find out Blackfire's plan and stop her.

Why do we need them?

We know every place in Metropolis.

And they know Blackfire. Together we can defeat her.
